GOOD GOVERNANCE AT LOCAL SELF-GOVERNMENT: TOWARDS EFFICIENCY AND WELFARE SOCIETY

October 12-13, 2017

Conference venue: Šiauliai University Library, Vytauto str. 84, Šiauliai, Lithuania

Changing society and requirements for public administration, emerging social needs of and limited capacities of public institutions to meet them all, the empowerment of all sectors to work together for the social welfare, implies the researchers and experts from different fields to discuss about opportunities and challenges in moving towards efficiency and Welfare Society. The aim of the conference is to bring together scientists and practitioners for the dialog about efficiency in developing Welfare Society, its resolution at local level.

The conference will focus on a broad range of topics:

- Capacity building and competencies for efficiency and welfare society.
- Strengthening democracy and building trust in local self-government.
- Cross-Sectoral Partnerships .
- Enhancing the efficiency of public services.
- E-governance as presumption for developing .efficiency and building trust.
- Subsidiarity and ethics.
- Socio-economical local challenges.
- Evidence based public management.

Researchers are invited to propose presentations for the plenary session.

The languages of the conference are English, Lithuanian and Russian.

Important dates:

- Till June 26, 2017: Application with the paper/presentation abstract. The abstract has to be sent by filling the application form online. The abstract should not exceed 2000 characters.
- After July 4, 2017 - Authors will be informed about the selection results via e-mails.
